

FREE VERITAS VELOCITY™ **1 YEAR SUBSCRIPTION** WITH ESSENTIAL MAINTENANCE!*

VERITAS VELOCITY™ provides rapid self-service access to data without the burden of storing and maintaining physical copies.

By virtualizing a single copy of production data, Velocity provisions virtual copies on-demand, enabling organizations to go to market faster, eliminate copy data sprawl and reduce cost.

If you are an existing NetBackup™ customer with an active maintenance contract, you are eligible to receive a 30TB subscription of Veritas Velocity along with essential maintenance **FREE** for 12 months*.

Take advantage of this limited time offer from Veritas and experience the new world of data agility.

▶ DON'T MISS OUT. ACT NOW.
LIMITED TIME OFFER*.

*Offer is global for only Corporate, Government, and Academic buying programs by Veritas. Free 30 TB 1 year subscription of only Velocity software for NetBackup active maintenance customers only. Customer must redeem from Veritas and activate by 30 June 2017 expiration. 1 year subscription starts once customer redeems and activates. Customer must pay for the additional capacity used once they exceed 30 TB or 1 year, whichever occurs first. Offer limited to 1 per customer and cannot be combined with any other offers or discounts. For terms and conditions please email: team.velocity@veritas.com or speak to your Veritas representative.

The Veritas logo is positioned in the bottom right corner of the page. It features the word "VERITAS" in a bold, white, sans-serif font, with a small trademark symbol (TM) to its upper right. The background of the logo area is a dark red, semi-transparent geometric shape that overlaps the bottom right corner of the page's abstract light-streak background.
